Suzie has joined us as a Senior Therapist. Many of you will know Suzie as she has worked at another well-known local salon! We are very pleased to have her on the team as she brings with her a wealth of experience. Apart from working during the week, Suzie will be available for treatments on the 1st and 3rd Sunday of each month. **In December however, the salon will be open every Sunday from 10am - 2pm.**

Christmas! It's time to think about Christmas and at The Beauty Box we

have been making sure that we will have plenty of wonderful gifts and products to make your Christmas shopping easier and more relaxing. Why go to Milton Keynes when you can shop in Buckingham!

This year we will have the full range of **Clarins gift sets**. Each set contains a selection of products beautifully boxed and at a special price that includes either a free product or a free make up bag!

We are continuing to stock the ever popular Aromatherapy Associates range. Their bath oils make wonderful presents. Littlecote and Arran Aromatics complete our range with gifts to suit all pockets starting at under £4.00.

Don't forget that The Beauty Box will gift wrap any item free of charge!

New Products

If you have bought any magazines recently or read a daily paper, you will probably have seen the adverts for Clarins latest product **Vital Light Serum**. This wonderful new serum has been an instant best seller. If you have dark spots, wrinkles or dull skin, this product will make a difference. Plants with the names of scurvy grass and sleepy morning work with your skin and other key ingredients to reduce dark spots, boost moisture and restore deep down luminosity. See results after only two weeks and full benefit after one month.

Everlasting foundation is a new, long hold compact foundation that can last up to 15 hours. Moisture is released into the skin during the day and the foundation has a light reflecting finish that doesn't show up lines. It also has an SPF15 to protect the skin.

We carry the full range of Clarins products and you are welcome to browse at any time. If you have any skin care issues please speak to any member of staff who will be happy to help you.
